

Volunteer Role: Environmental Champion

Volunteering as an Environmental Champion

At Run 4 Wales we care about our environmental footprint. Our Environmental Champions play a key role to help us as an event improve our recycling rate, which was 95% at the March 2022 Cardiff Half Marathon.

At the event Start Line we have a huge job to clean up left items of clothing from the runners as they set off to tackle the course. Any left items are donated to a charity partner and you will be needed to help us position clothes recycling bins/bags and encourage participants to use these bins. As the runners cross the start line, we will begin collecting left items of clothing and organising them for collection. It is vital that we work quickly and efficiently to get this job done, so we can clear the start line to reopen the road or make it available as the finish line (depending on the event route).

When the runners return from the course, Environmental Champions help out in the Post Finish Line area. This is where the runners receive medals, t.shirts, waters and bananas. We need you to encourage the runners to recycle their bananas/banana skins and water bottles correctly in the bins provided, using megaphones and huge foam fingers. As you can imagine with thousands of runners this is a large but vital role.

All volunteers will be supported by an experienced Run 4 Wales supervisor who will brief the team before the race begins and be available during the whole shift to provide support and manage any queries.

What to wear when you're volunteering at a Run 4 Wales event

We provide an Extra Milers t-shirt for all volunteers, which is yours to keep. So that you are identifiable as a Run 4 Wales volunteer, we ask that your volunteer t-shirt be visible at all times, so please wear your volunteer T-shirt over any other clothing.

Please come appropriately dressed for the weather. We recommend wearing layers and ask you to wear plain trousers/jeans (avoid any branded sports clothing) and comfortable shoes. You may be outside for several hours so consider packing a raincoat and/or sunscreen and sunhat.

What to bring with you when you're volunteering at a Run 4 Wales event

We provide an exclusive Extra Miler drawstring bag that we ask you to wear/ keep your personal belongings in whilst volunteering. We advise you to bring only essential personal items – we cannot store any volunteer personal belongings during the day.

We provide a lunch pack on the day (usually a sandwich, crisps and piece of fruit) and we will do our best to meet dietary requirements. However it can be a long day, so we recommend bringing some snacks. Please also bring a refillable water bottle.

I'm under 18. Can I volunteer with Run 4 Wales?

We welcome individual young volunteers aged 14 – 17 years old. However we ask that anyone aged 14 – 17 provides a completed guardian consent form and is accompanied by someone aged 18 and over. We work with young person groups, from cadets and guides to colleges and social clubs, so please do get in touch if you would like to volunteer as a group.

Sustainability

Run 4 Wales have a Green Action Plan and as part of our efforts in delivering sustainable events we have committed to an average 90% recycling rate, a 40% cut in damaging material use and a transition to low energy sources as we head towards a carbon positive event company by 2040. Please help us meet our targets by doing your bit to recycle in your role, following guidance from your supervisor.
